TECHNO - RAVE / ACID & INDUSTRIAL - FRANCE

MINDCUT / GREEN FETISH / TRIPALIUM / MADBACK / ORDER PARIS

14anger is a time traveler. Collector of techno classics, admirer of futuristic sequencing, he weaves these together for an eternal timed prophecy rave. He started djing in 1994, spinning hardcore and drum'n'bass and returned to his techno roots in 2013 where his productions and sets are equally full of passion and energy.

14anger brings on a dancefloor what his tracks give to you ears : mental energy. Well-appreciated south-France DJ, 14anger proposes today a bold dancefloor techno, balanced with acid synths and mesmerizing beats. Thanks to techno, hardcore, trance and acid influences. His techno mixes recalls how techno should always be played : 2 tracks together open the gates of a brighter immediate future. This rave ambassador knows how to shake your party, marking it with a personal before/after effect.
